

SCHOOL CHALE HUM

IMPACT REPORT BY TAPAS FOUNDATION

A CSR INITIATIVE BY HILTI INDIA

Hilti India, an eco-conscious company, always stresses environmental care through their innovative environmentally friendly products and technologies.

These innovations include focusing on being an eco-friendly and responsible company by reducing their CO2 emissions, and energy and water consumption throughout their factories, plants, offices and transport.

Taking a step ahead and getting their employees involved in more eco-friendly activities, Hilti India is planning to conduct a plantation drive across India to engage their employees and stakeholders to be more responsible and proactive in taking care of the environment.

IMPLEMENTATION PARTNER

TAPAS FOUNDATION

As a registered non-profit organization, Tapas Foundation is dedicated to dismantling deep-rooted social injustices in society. The foundation believes in a multifaceted approach to achieve all-round reform. This includes grassroots activation, urban outreach, and advocacy involving changemakers and those in power.

Tapas collaborates with CSOs, NGOs, government bodies, and corporates. It designs and curates social campaigns to address social issues, raise awareness, and provide help to those in need. The foundation aims to be the voice for the silenced and powerless. It highlights pressing social issues affecting marginalized communities. Tapas' footprint extends across the nation.
